

Picnic

PRODUCT INFORMATION

ASSMANN

Picnic

The kitchen is not just a place for communication and socialising in private settings. In the working world, the office kitchen is also a central meeting place – for a short break, inspiring conversations, or a creative exchange of ideas.

Incredible variety

Picnic combines modern design with great functionality. With a wide range of sizes and accessories, numerous front colours and worktop finishes to choose from, Picnic offers visually appealing and functional design options.

Picnic in the office

Whether as an office kitchen in the smallest of spaces or integrated into open-plan layouts, a Picnic office kitchen offers the right solution to suit every requirement.

LED lights ensure optimum illumination of the worktop

Available with stainless steel handle or without handle
