Furniture solutions and services from a single source

Desks

Modern design, a range of variants and tested quality, combined with optimised functionality and flexible height settings for ergonomic workspaces.

Storage space

Furnishing solutions for room design with functional storage space, modern wall shelves, secure locker cabinets and flexible container systems.

Office swivel chairs

Comfortable and ergonomic seating quality, attractively modern and clear design and easy handling with a broad selection of choice of colours and surfaces.

Seating

High-quality armchairs, cosy sofas, modern and stackable multi-purpose chairs and freely combinable seating modules with optimised seating comfort and an unlimited range of colours and variants.

Lounge furniture

Open and closed room-in-room meeting and communication cubicles, flexible seating elements and comfortable lounge furniture in a variety of designs and surfaces.

Seminars and meetings

Flexible and functional furnishing solutions for meetings, seminars and conferences with customisable versions and flexible combination options.

Office kitchens

Modern and high-quality kitchens with optimised functionality and plenty of storage space options, high-quality fittings and a wide range of design variants.

Reception

Modular, individually plannable reception and counter systems to design the reception area with customisable surfaces and practical additional functions.

Room acoustics

Acoustically effective furnishing solutions with attractive finishing, matching components and partitioning screen systems to improve room acoustics.

Components

Innovative docking systems, multifunctional organisational rails and partition wall systems for acoustic and hygiene requirements in a variety of designs and surfaces.

Booking systems

Smart office solutions for organising office workspaces based on sensor-supported booking systems and software-controlled locker systems.

Services

End-to-end consulting and planning services to design and create modern worlds of work with complementary pre- and after-sales support.

Award-winning GOOD WORK

We always adhere to the highest standards in our work – whether it's product quality, services or responsible treatment of the environment and natural resources. Along with the quality and safety certifications, our product and sustainability awards confirm that design, unbeatable quality and the use of harmless materials are indispensable attributes in the creation of modern worlds of work.
